

## Cast Machine Stretch Film

Quality Cast Machine Stretch Film comes off the roll smoothly and quietly.

- Ultra clear film makes bar codes easy to read.
- Use to secure uniform loads.
- Stretches up to 250%.
- Substantially reduces warehouse noise.
- For use on all stretch film equipment.

### Cast Machine Stretch Film

## Goodwrappers® Bundling Stretch Film

Patented Goodwrappers® dispenser reduces friction on hands.

- One dispenser is included in each case.
- Dispenser gives user excellent tension control.
- High quality cast stretch film.
- Available in 3" and 5" widths.

### Goodwrappers® Bundling Stretch Film

Stock Number	W x L	Gauge	Rolls Per Case
GOOD380VSR	3" x 1,500'	80	12
GOOD580VSR	5" x 1,500'	80	8
GOOD3120VSR	3" x 650'	120	18
GOOD5120VSR	5" x 650'	120	12

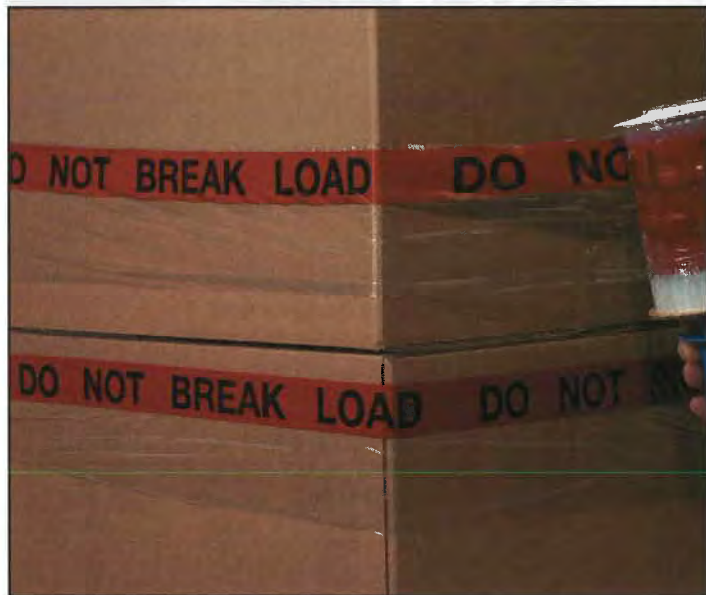

## Goodwrappers® Identi-Wrap® Stretch Film

Pre-printed shipping instructions on 5" Goodwrappers® Identi-Wrap® Stretch Film displays the special handling instructions your shipment requires.

- Eliminates the need for labels.
- Easy to use. Simply wrap film around unitized product.
- Two dispensers are included in each case.
- 80 gauge film - 6 rolls per case.

### Goodwrappers® Identi-Wrap®

Stock Number	W x L	Description
GOODID5DNBL	5" x 500'	"DO NOT BREAK LOAD"
GOODID5DNDS	5" x 500'	"DO NOT DOUBLE STACK"
GOODID5FRAG	5" x 500'	"FRAGILE"
GOODID5RHR	5" x 500'	"RED HOT RUSH"
GOODID5DNTL	5" x 500'	"DO NOT TOP LOAD"

## Goodwrappers® Stretch Netting

Secures products without stopping air flow.

- A food industry standard.
- Helps prevent condensation on loads.
- Provides even ventilation to allow product in the middle of a load to maintain the same temperature as product on the outside of a load.
- Each roll comes complete with two patented dispenser handles.

### Goodwrappers® Stretch Netting

Stock Number	Roll Width	Roll Length	Rolls Per Case
SN20G00D	20"	500'	4

# Goodwrappers® Stretch Film

Goodwrappers® premium stretch film system provides the easiest and most efficient way to wrap pallets.

- Light-weight. No need for a heavy dispenser.
- Built-in disposable handles prevent friction on hands.
- Patented dispenser provides great tension control and allows for maximum film stretch so less film is needed.
- Portable and ready to use out of the box.

## Economy Goodwrappers®

- Ultra clear economy film features quiet unwind.

## Premium Goodwrappers®

- Premium blown film is puncture resistant.

## Color-Tinted Goodwrappers®

- Colors are easy to see through yet provide enough tint for easy identification.
- Ideal for identifying, unitizing and stabilizing shipments.

## Black Opaque Goodwrappers®

- Opaque film - can not see through.
- Prevents pilferage by concealing load identity.
- Ideal for outside storage.

## Exfilmplus™ LTG Shrink Film

The "original" light gauge shrink film conforms easily to irregularly shaped objects.

- Excellent performance at a lighter gauge for substantial cost savings.
- LTG replaces 60 gauge polyolefin film.
- Special formulation is 25% thinner than other shrink films on the market.
- Uniquely versatile film operates on all sealing and shrink equipment.
- Consistently strong seals over the broadest range of temperatures.
- Complies with FDA standards for direct food contact.
- Provides superior clarity and gloss for retail presentations.

## Reynolon® 5011 PVC Shrink Film

The film choice for the printing and publishing industry!

- Will not bend or curl delicate products such as calendars, brochures and other paper goods.
- Low shrink, biaxially oriented film with low shrink force.
- Excellent machinability and provides good, tight seals.
- Superior strength and tear resistance protects items from marking and abrasion.
- Virtually perfect conformity eliminates the occurrence of crimping and wrinkles.
