

Air Foam Rolls

Non-abrasive, light-weight air foam is filled with thousands of cushioning air cells to protect your product.

- Shock absorbing foam protects delicate items.
- Provides light cushioning and surface protection.
- Moisture resistant.
- Air Foam Rolls can be custom slit and/or perforated to your exact specifications.
- Air foam can also be custom sheeted.
- Stock air foam sheets are on page 124.
- Pink anti-static air foam protects electronic components.

Air Bubble Rolls

Nothing cushions like a blanket of air!

- Air Bubble makes an excellent cushion and void-fill.
 - 3/16" for small items - Light cushioning.
 - 5/16" for medium items - General purpose cushioning.
 - 1/2" for large items - For dunnage and void fill.
- Protects against shock, abrasion and vibration.
- Rolls can be slit and/or perforated to your exact specifications.
- Air bubble can also be custom sheeted.
- Roll storage system available on page 133.
